

Lafayette Regional Health Center

Lafayette Regional Health Center is a critical access hospital, accredited by The Joint Commission, located in historic Lexington, Missouri, 50 miles east of Kansas City. This primary care hospital offers a comprehensive array of services in a small-town environment. Patients enjoy the comfort of knowing they're receiving quality healthcare in their hometown. Lafayette Regional Health Center also owns and operates three physician clinics throughout Lafayette County.

How to find

About HCA

HCA was founded by physicians. Their purpose was to create an environment where healthcare can flourish. They believed the best patient care begins by giving physicians what they need.

Today, we own and operate hospitals, freestanding surgery centers, and urgent care centers in 20 states. We are the preferred choice for more than 233,000 healthcare professionals, including more than 40,000 physicians.
